Meeting notes

Attending:

- Rob Sowers, Raj Nair from Azuki
- Farzin Aghdasi from Pelco
- Christopher Levy from BuyDRM
- Charlie Good, Alex Dobrushkin from Wowza
- Steve Christian from Verimatrix
- Nikos Kyriopoulos from MediaExcel
- Moore MacAulay from Harmmonic
- John Deutscher, Anton Kucer, Punka (Missed last name, sorry) Microsoft

Discussion:

- Thanks to Olivier from Envivio, Rob from Azuki, Steve from Verimatrix, charlie from Wowza and Christopher from buyDRM for comments on the document.
- Reviewed comments on last document.
- The current document amalgamates most of the input and lists some unresolved discussion points.
- Goal is to finalize (or come close) in the next meeting or two, then solicit API proposals in January.
